NOTES:

1. This intimation is exclusively for those Members whose securities are held at physical mode as of now:

BSE has issued a Circular to Listed Companies on July 05, 2018 informing about amendment to Regulation 40 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 vide Gazette notification dated June 8, 2018 has mandated that transfer of securities would be carried out in dematerialized form only. Based on that with effect from December 5, 2018, shares which are lodged for transfer shall be in dematerialized form only. In other words, no transfer of securities which are held in physical mode won't be allowed from December 5, 2018 onwards.

For your reference the web link of the said notification is given hereat: <https://www.bseindia.com/corporates/Displaydata.aspx?Id=cd22b184-1153-4b05-8ad9-d04699161f89&Page=cir>

Hence, you are requested to dematerialise the securities which are held at physical mode as soon as possible and ensure that the signature cards of yours with respect to physically held securities are to be handed over to our RTA i.e. ABS Consultant Private Limited, 4, B.B.D Bag (East), Stephen House, Room No: 99, 6th Floor, Kolkata- 700 001, West Bengal at the earliest once the dematerialization is done.

Necessary information on how to dematerialize your securities is already placed at the Company's website and also hereat for your requisite guidance.

Steps to be undertaken to dematerialize your securities:

The Client (Registered Owner) will submit a request to the Depository Participant (DP) in the Dematerialization Request Form (DRF) for dematerialization, along with the certificates of securities to be dematerialized. Before submission, the client has to deface the certificates by writing "SURRENDERED FOR DEMATERIALISATION".

The Depository Participant will verify that the Dematerialization Request Form is duly filled in and the number of certificates, number of securities and the security type (equity, debenture etc.) are as given in the Dematerialization Request Form. If the Dematerialization Request Form and security count are in order, the Depository Participant will issue an acknowledgement slip duly signed and stamped, to the client.

The Depository Participant will scrutinize the Dematerialization Request Form and the certificates. The scrutiny involves the following:

- Verification of the Client's signature on the Dematerialization Request Form with the specimen signature (the signature on the account opening form). If the signature differs, the Depository Participant should ensure the identity of the client.
- Compare the names on Dematerialization Request Form and Certificates with the Client Account.
- Paid-Up Status.
- ISIN (International Securities Identification Number).
- Locked-in status.
- Distinctive numbers.

In case the securities are not in order, they are returned to the client and acknowledgement is obtained. The Depository Participant will reject the request and return the Dematerialization Request Form and certificates in case:

- The Certificates is mutilated or they are defaced in such a way that the material information is not readable. It may advise the Client to send the Certificate to the Issuer / R&T Agent and get new Certificate issued in lieu thereof.
- A single Dematerialization Request Form is used to dematerialize securities of more than one Company.
- Part of the Certificates pertaining to a single Dematerialization Request Form is partly paid -up, the Depository Participant will reject the request and return the Dematerialization Request Form along with the Certificates. The Depository Participant may advise the Client to send separate request for fully paid-up and partly paid-up securities.
- Part of the Certificates pertaining to a single Dematerialization Request Form is locked-in, the Depository Participant will reject the request and return the Dematerialization Request Form along with the Certificates to the Client. The Depository Participant may advise the Client to send a separate request for the locked-in certificates. Also, certificates locked-in for different reasons should not be submitted together with a single Dematerialization Request Form.

In case the securities are in order, the details of the request as mentioned in the Dematerialization Request Form are to be entered in the DPM (software provided by NSDL to the Depository Participant) and a Dematerialization Request Number (DRN) will be generated by the system.

The DRN so generated is to be entered in the space provided for the purpose in the Dematerialization Request Form.

A person other than the person who entered the data is expected to verify the details recoded for the DRN. The request will be then released by the Depository Participant which will be forwarded electronically to DM (DM- Depository Module, NSDL's software system) by DPM.

The DM will forward the request to the Issuer / R&T Agent electronically.

The Depository Participant will fill up the relevant portion viz., authorization portion of the Dematerialization Request Form.

The Depository Participant will punch the certificate on the Company Name so that no material information on the Certificate will be destroyed.

The Depository Participant will then dispatch the Certificates along with the Dematerialization Request Form and a covering letter to the Issuer / R&T Agent.

The Issuer / R&T Agent will confirm acceptance of the request for dematerialization in his system DPM (SHR) and the same will be forwarded to the DM, if the request will be found in order.

The DM will electronically authorize the creation of appropriate credit balance in the client's account.

The DPM will credit the client's account automatically.

The Depository Participant must inform the client about the changes in the client's account following the confirmation of the request.

The Issuer / R&T Agent may reject the dematerialization request in some cases. The Issuer / R&T Agent will send an objection memo to the Depository Participant with or without DRF and security certificates depending upon the reason of rejection. The Depository Participant / Investor has to remove reasons for objection within 15 days, the Issuer / R&T Agent may reject the request and return the Dematerialization Request Form and accompanying Certificates to the Depository Participant. The Depository Participant, if the Client so requires, may generate a new dematerialization request and send the securities again to the Issuer / R&T Agent. No fresh request can be generated for the same securities until the Issuer / R&T Agent rejects the earlier request and informed NSDL and the Depository Participant about it.

We also like to inform that we have already taken requisite efforts through our RTA i.e. ABS Consultant Private Limited, 4, B.B.D Bag (East), Stephen House, Room No: 99, 6th Floor, Kolkata- 700 001, West Bengal by means of sending letter under Registered/Speed post to the holders of physical certificates at their address as presently registered, appraising them about the amendment and sensitise them about the impact of the regulation on the transfer of shares held by them in physical form with effect from December 5, 2018. INDEPENDENT AUDITORS' REPORT

To the Members of
SUJALA TRADING & HOLDINGS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sujala Trading & Holdings Limited which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

EMPHASIS OF MATTER

We draw attention to note xvii to the statement which describes the uncertainty caused by Novel Coronavirus (COVID-19) Pandemic with respect to the company's estimate of impairment of loans to Customers and that such estimates may be affected by the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SUJALA TRADING & HOLDINGS LIMITED** ("the Company") as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Compliance and Recent Pronouncements:

The Company has adopted Indian Accounting Standards (referred to as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 (“the Act”) with effect from April 1, 2017 and therefore Ind ASs issued, notified and made effective till the financial statements are authorized have been considered for the purpose of preparation of these financial statements.

The Company has followed the provisions of **Ind AS 101** (Ind AS 101) in preparing its Ind AS Balance Sheet. In accordance with Ind AS 101

Recent Pronouncements

In March 2017, Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to the Ind AS 7 ‘Statement of Cash flows’ and Ind AS 102, ‘Share - Based Payment’ which are applicable w.e.f. 1st April, 2017.

The amendment to Ind AS 7 “Statement of Cash Flows” requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. The effect of this amendment on the financial statements of the Company is being evaluated.

Note-3

Singnificant Accounting Policy:

1. Basis of Accounting

The Financial Statements have been prepared under the historical cost convention excepting certain financial instruments which are measured in terms of relevant Ind AS. The accounts have been prepared on the concept of going concern. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in **Ind AS 1 ‘Presentation of Financial Statements’** and Schedule III to the Companies Act, 2013.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard Assets as prescribed by the Reserve Bank of India (RBI) for Non-Banking Financial Companies.

2. Inventories:

Inventories of shares and other trading goods are valued at cost computed on FIFO Basis or net realisable value, whichever is lower.

3. Recognition of Income and Expenditure:

Income and expenditure are accounted for on accrual basis. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognized when the shareholder's right to receive payment is established by the balance sheet date.

4. Depreciation on Fixed Assets:

Depreciation on Fixed Assets has been provided based on useful life assigned to each asset prescribed in accordance with Part - "C" of Schedule-II of the Companies Act, 2013.

5. Fixed Assets:

Fixed Assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

6. Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

7. Financial Assets and Financial Liabilities:

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial Liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

i. Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

ii. Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

iii. Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and

interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

iv. Investment in Subsidiaries, Joint Ventures and Associates are being carried at deemed cost/at cost.

v. Impairment of financial assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

vi. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

The Reserve Bank of India vide Notification No. DNBR (PD) CC.No.002/03.10.001/2014-15 Dated NOVEMBER 10, 2014 has issued direction to all NBFCs to make provision of 0.30% on STANDARD ASSETS with immediate effect. Accordingly the Company has made provision @ 0.30% on Standard Assets in accordance therewith

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

vii. Taxes on Income:

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. This liability is calculated at the applicable tax rate or minimum alternate tax rate u/s 115JB of the Income Tax Act, 1961 as the case may be for current taxes on Income. Deferred income tax reflects the impact of timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax laws enacted or substantively enacted at the balance sheet date.

Deferred Tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the Balance Sheet date. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profit.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

viii. Earnings per share:

- Earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders, by the weighted average number of equity shares outstanding during the year.
- For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.
